**COMMUNICATION**

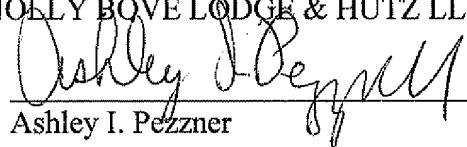

In response to the Notification of Defective Response mailed February 26, 2007, the applicants respectfully inform the PTO that the first named inventor, MARGIT HILLER got married and her married name is MARGIT TELTSCHIK (see enclosed Declaration). This is also obvious in view of the fact that her residence listed in the Declaration and Power of Attorney is the same residence as listed on the front page of the PCT with her maiden name. This is further evidenced by the previous declaration submitted that had her previous name listed as "(former Hiller)".

Also enclosed is two declarations executed by the inventors. The applicant believes that these declarations are acceptable.

A one month extension fee has been paid. If there are any additional fees due in connection with the filing of this response, including any fees required for an additional extension of time under 37 CFR 1.136, such an extension is requested and the Commissioner is authorized to charge any debit or credit any overpayment to Deposit Account No. 03-2775. A prompt and favorable action is solicited.

Respectfully Submitted,
